

# JSRC Team League on SportyHQ

## A guide for captains

### Introduction

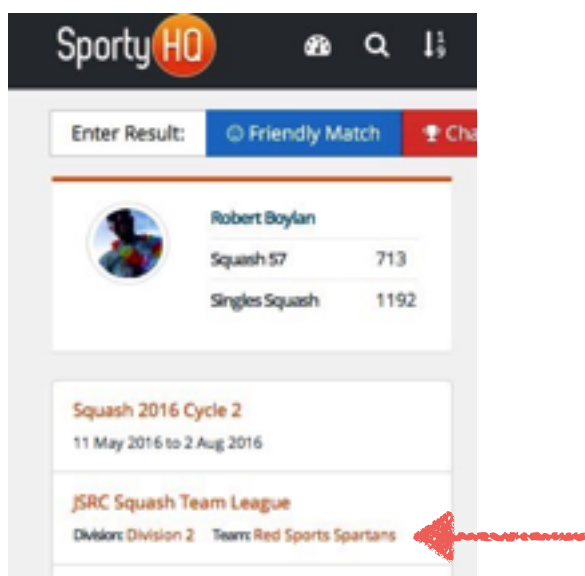

Sporty HQ offers a number useful features that make running team team league easy, makes life easy for team captains, and generates interesting playing statistics.

### Player Availability

The bane of every captain's life is chasing players to see if they are available to play in the next match. SportyHQ offers a feature that allows players to show their availability for each match over a season.

After logging in to SportyHQ, you will be on your own homepage ("dashboard"). On the left hand side are links to all of the leagues, competitions, clubs and organisations you are associated with.

Click on your team's name to be taken to the team page:

### Your availability...

There are a couple of other features on the Team League page

## Stats

The screenshot shows the "JSRC Squash Team League 2016/17" page. At the top, there's a navigation bar with "Division 1" and "Division 2" tabs. Below the navigation bar, there's a row of buttons: "Division 1 Schedule", "Full Results", "View Teams", "Spares", and "Stats". A red dashed arrow points to the "Stats" button. Below the buttons, there's a table showing the league standings for the "LAST ROUND" on "September 13". The table has columns for "Pos.", "Name", "Pts.", "Against", "Where & When", and "Pts.". The data is as follows:

Pos.	Name	Pts.	Against	Where & When	Pts.
1	ARCademy	21	Harriers	9:30pm Jersey Squash & Racketball Club	21
2	Advisa	17	Antidote	7:45pm Jersey Squash & Racketball Club	17
3	Wildfire Bulls	17	OVS	8:15pm Jersey Squash & Racketball Club	17
4	OVS	6	Wildfire Bulls	8:15pm Jersey Squash & Racketball Club	6
5	Antidote	5	Advisa	7:45pm Jersey Squash & Racketball Club	5
6	Harriers	1	ARCademy	9:30pm Jersey Squash & Racketball Club	1

This give interesting league statistics, including win percentages and ranking point movements.
